IMPROVEMENTS AT KISSIMMEE LAKEFRONT PARK

Over the past year, Kissimmee Lakefront Park has seen significant enhancements. The fishing pier and wooden breakwater structures have been fully refurbished. Additionally, a shade canopy has been installed over the amphitheater stage on the Veterans Lawn. This new canopy provides much-needed shade and advanced sound and lighting rigging, greatly enhancing the production quality of festivals held at the park. The canopy also adds a striking visual element to the Lakefront Park, complementing the beautiful backdrop of Lake Toho.
